

Features

Fit-Up Pro stainless steel flange pin, aka “two hole pins” are used for precise flange leveling and alignment. The PN 2124 are smaller stainless steel mini pins that fit flange holes up to $\frac{7}{8}$ ". The knurled surfaces are an additional feature that allow snug flange hole fitting that increases accuracy during flange alignment.

Specifications

- Fit-Up Pro flange pins are an economical and efficient way to align flanges.
- PN 2124 for use in $\frac{1}{4}$ " - $\frac{7}{8}$ " holes.
- PN 2124 are made of stainless steel for exotic flange fit-ups.
- The flange pins offer knurled handles for increase grip and tightening ability.
- Items come in retail packaging.
